

Newsletter 6 | 2019

Principal's Pen

The holidays are nearly here and I think you would all agree the break has been well earned by our hardworking students. There has been so much to keep them busy this term and I would like to take this opportunity to thank all our staff members and parents for working together to make sure Goollelal Primary is a vibrant, learning community for all the students who attend. Our ANZAC Service is always a very moving event and on behalf of the school community I would like to say a heartfelt thank you to Mrs Kerry Hartmann who coordinated the service and led the choir. Thank you also to special guests, Mrs Jessica Stojkovski MLA, Councillor John Logan and all of our community members for your support of the service.

New School Phone Number

From the end of this term, the school has a new phone number **6207 2100**. Please remember to change the school number in your phones.

End of Term Faction Reward

This term our faction slip rewards have been coming in thick and fast for students displaying beautiful behaviour, both inside and outside the classrooms. Congratulations to Green Faction for winning the Term 1, end of term reward. All the members of Green Faction had a magnificently messy morning as they enjoyed the fun mud challenges planned by Mr Rintoul.

**GOOLLELAL
PRIMARY SCHOOL**

Updates to School Policies

Recently we updated our school's Student Engagement Policy to align with the Minister for Education's Statement, "Let's Take A Stand Together." This week I discussed the new, 'Good Standing' Policy with our Year 4, 5 and 6 students. As I explained to the students, 'Good Standing' is a level of behaviour that we expect our senior students to rise to. All students begin the year with Good Standing. To maintain Good Standing we expect our students to take some responsibility for their own behaviour. This includes:

- * Finishing any work, assessment or homework assigned by teachers
- * Behaving in a way that shows respect for the rights of other students, staff members and parents at school
- * Following the school 'Dress Code'
- * Following the school's Code of Conduct
- * Setting a good example for our younger students

Students may lose their Good Standing for three visits to the office for poor behaviour, serious misbehaviour e.g. intentionally hurting others, bullying, or behaviour resulting in suspension. Loss of Good Standing will result in consequences such as detention, missing out on special events, loss of privileges and/or suspension. Students who lose their Good Standing will be placed on a behaviour monitoring plan and will regain Good Standing on successful completion of the plan. Parents will be notified throughout this process.

Over the next few newsletters I will be highlighting other important updates to our school policies. To see the full version of the Student Engagement Policy and other school policies, please go to our website at the link below:

www.goollelalps.wa.edu.au

Changes to Siren Times

This week we introduced a new, early warning siren at 8.45am. This siren is to give all our students a reminder to go to the toilet or get a drink of water so that they are ready to start learning from 8.50am when the second siren will sound.

Kindergarten 2020

We are taking enrolments for Kindergarten as of the beginning of Term 2. If you wish to enrol your child, you can download an application form from the [school website](#). You will need a copy of your child's birth certificate, [MyGov immunisation records](#) and proof of residence (utility bill).

Easter Bonnets and Egg Hunts

Throughout the school there have been Easter egg hunts, bonnet parades and even a sighting or two of the Easter Bunny! Here are just a few pictures of the fun.

P&C News

Thank you to everyone who donated so generously to this year's Easter Egg Raffle. The amount of prizes was truly amazing and we raised over \$500.00.

I hope you all manage to enjoy a break from your busy schedules over the next fortnight and enjoy the Easter break with your children. Have a very happy and safe holiday and we will see you on Tuesday the 30th of April.

Dear Parents

The true harvest of life is intangible – a little star dust caught, a portion of the rainbow I have clutched.

Henry David Thoreau

We thought that we would just end the term with some highlights from this week. It's been a huge week of serious fun. On Wednesday we had a lovely day full of resilience activities.

It was certainly thrilling to me to see the whole school community of children, staff, parents and grandparents turn out in their capes to support this special day. Children love to dress up but it was very special for me to see so many parents with a cape or full costume. How wonderful!

First up we had an assembly with the choir reminding us all to 'fight for our resilience' with the Rachel Platten song – Fight Song. Thank you to our lovely choir for working hard to learn the song and to La-Li, Hazel and Marnie for choreographing a dance! Some delightful children were selected by class teachers to tell the assembly what resilience means to them.

| | |
|----------|---|
| Edmund | When we look after ourselves. |
| Ethan | When you can fix it. |
| Jimmy | Never giving up. Even if it's tricky. |
| Phoebe | When you are having a bad day, you can bounce back and start again tomorrow. |
| Nicholas | Not letting little problems bother us. |
| James | You keep going when things get hard. |
| Victor | When you are struggling with a problem and are able to deal with it without getting upset. |
| Elin | Resilience is bouncing back from things that happen that make you feel stressed or worried. |
| Sophie | The ability to recover quickly from problems or conflict we may face in our life. |
| Lockie | The ability to bounce back when things don't go to plan. |

We raised \$223.00 to send to the children at Perth Children's hospital. Our senior students thought the money should go there to help our sick friends feel strong and more resilient. Mrs Smith and her dog Lucy have been long time volunteers at the Children's Hospital, so I could think of no-one better to present the cheque to Amy Vassallo – Administration Officer at the hospital than Michelle and Lucy!

On Wednesday I was again treated to two more Resilience lessons in TA 1 and TA 10. The Kindy lesson was so delightful with Mrs Smith and Mrs Newbury prompting the children to talk about their strengths and the things they were good at. The answers of course were fascinating! As an example Luca said that his strength is that 'he looks after his little brother'. The children then completed an activity where they wrote their name and strength on the model see photo below. Thank you to Mrs Smith and Mrs Newbury for working hard to make a difference .

Then for a very different lesson based on the Resilience Doughnut the Year 6 children began their lesson with the wonderful story from Dr Suess 'Oh the Places you'll Go'. The story speaks of all the adventures that life may bring and at the same time all the ups and downs that may be experienced.

The children shared the strength with each other and offered wonderful mature suggestions for when they have 'slump days' of how they could feel better. The suggestions ranged from listening to music to playing with a pet. Congratulations Year 6 and Mrs Woodworth for the mature approach they took especially the part where the discussion came to taking 'the best path in life' when there was a choice between two pathways. I was so impressed.

Green Faction Messy Mud Event

Congratulations to **Green Faction** for winning the end of term faction slips competition. Mr Rintoul put together such a fun-filled session for you. The mud was different and exciting. The children have been told to tell their parents how grateful they are for washing their clothes! Sorry parents.

Easter Hat Parade

The year 1 and 1/2 class enjoyed an Easter Hat Parade yesterday.

The final activity this week was our Annual ANZAC day service. The children were silent, still and reflective as the service unfolded. Yesterday an amazing group of students from year 6 produced our two beautiful wreathes for ANZAC Day. Many thanks to the parents who sent roses in to contribute to the wreath.

Special thanks also to the Year six students who ran the service and to Juliette and Finley, Charli and Rama who laid the wreathes so beautifully. It was a beautiful morning. Pics here

I hope that each and every family has a wonderful holiday and Easter time and I look forward to seeing everyone back next term.

Kerry

Kerry Hartmann | Deputy Principal

Term 1 Faction Reward Event

From the Community

A reminder that, for duty of care reasons, the Department of Education requires us to differentiate between school organized, P&C organised and business/community activities. These are non-school activities.

Triple P - Positive Parenting Program®

A FREE program that teaches practical and effective ways to enhance family relationships and manage common child behaviour issues.

Who is this program for?

Parents, carers and/or grandparents of a child aged between 3 and 8 years.

What is involved?

- Seminar Series – 90-minute talks on:
 - children's behaviour
 - the tough part of parenting
 - raising confident children
 - raising emotionally resilient children.
- Discussion Group – small, 2-hour groups:
 - misbehaving
 - fighting and aggression
 - hassle-free shopping with children.
- Group Triple P – 8-week parenting course.

Program details:

Place: _____

Date/s: _____

Time: _____ Cost: **FREE**

How do I book?

Visit www.healthywa.wa.gov.au/parentgroups.

If unable to book online, contact the Child Health Booking System on 1300 749 869.

Childcare: Please do not bring babies and children over the age of 6 months to the group.

You will need to make your own childcare arrangements for them. Crèche may be available at some venues. (Please check and organise through the venue).

You can bring babies into groups for feeding.

Visit www.healthywa.wa.gov.au/parentgroups for more information.

This document can be made available in alternative formats on request for a person with a disability.
