

Principal's Pen

After the excitement of our swimming lessons, all our classes are starting to settle back into their normal routine. We have all been busily preparing for Book Week next week which includes our Book Fair and Open Morning. We welcomed Mrs Hartmann back to Goollelal and she will have more details about Book Week in her section of the newsletter.

Bunnings Incursion

This week several of our junior classes had lots of fun, hammering and weaving as they made some special gifts for a very important member of their family. The tools, materials and instructions were all supplied by Bunnings and I would like to thank Miss Savage for organising this incursion.

GOOLLELAL
PRIMARY SCHOOL

Sharing, Caring & Learning

Playgroup Signs

This week we were very lucky to have some signs made for our Playgroup. Thank you to Ellie and Ryan Menaglio for the excellent signs advertising our Playgroup, we have already had a new member because of them!

Parking

We have had a number of people expressing concern over cars parking in the staff car park and on the verge adjacent to the staff car park. Last week we had another very near miss as a car backed out of the verge area. These areas are patrolled by Joondalup City traffic wardens and we have been notified that they will be issuing fines. If your children are being picked up by relatives could you please let them know that they risk being fined if they park in these areas.

Bike Security

Unfortunately, earlier this week a bike belonging to one of our students was stolen from the bike racks. If anyone has seen a Green Trek Bike please contact our office on 6207 2100. Parents, could you please urge your children to secure their bikes with a bike chain and lock to deter thieves.

P&C

Our P&C Quiz Night is coming up on Saturday 31 August and tables are selling fast! Cost is \$20 per person for tables of 8-10. Payment can be made to the P&C bank account (BSB: 306 106 ACC: 417 5001). Donations are still welcome at the front office for prizes - thank you to all who have donated already. This should be a fun night for all involved so we hope to see you there.

Every Day Counts - Attendance

Western Australian law stipulates that all school-aged children must go to and attend school every day. Each school is required to keep accurate attendance records for all its students. This includes taking attendance:

- in the morning and afternoon for students in Kindergarten to Year 6
- at every lesson for secondary school students.

Teachers mark the attendance register with codes for authorised and unauthorised absences. When your child is sick and you notify the school, the absence is recorded as 'Notified as sick', which is an authorised absence. When students are taken on a family holiday during school time, this absence is recorded as, 'Unauthorised Vacation'.

Deputy's Desk

Dear Parents

This week I have returned from a wonderful holiday in Europe. I am pleased to be back at work and once again in the thick of things for what is already shaping up to be such a busy term!

All things books:

Book week is always such a highlight on the calendar and we begin the celebration of books and all the joy they can bring to us. I like the children to know that often reading a book as a child is like no other reading in your life. Some of our favourites create so many lovely memories and feelings that can stay with us forever. We have a variety of activities planned for the children to enjoy. Some of these include:

Next week will have our annual book fair where there will be a large variety of books available to purchase. Many thanks to Ali Hegan for organising Book Fair again this year. We would be grateful for a couple more people to assist with selling the books. Please contact Ali by text on 0411 738 827 or by email: alihegan@gmail.com . The books will be available across the week from Tuesday to Friday before and after school with the following times.

Tuesday	8:15 – 8:45am	2:30 to 3:00pm
Wednesday	8:15 – 8:45am	3:10 to 3:40pm
Thursday	8:15 – 8:45am	3:10 to 3:40pm
Friday	After Assembly – Open morning	

This year we are having an **open morning** on Friday, following the assembly, where the children can dress up as their favourite book character. The children will parade around the assembly hall and enjoy the fun of dressing up. You don't need to go to a lot of trouble. It would be good for the children to get creative with scarves, hats and bits and pieces from home! The little musical that we usually have is scheduled for November, because I have been on leave.

Following the assembly, all parents and extended family members are invited to view their children's work in the classrooms and stay on for a Mad Hatters tea party on the oval (BYO picnic and blanket)

PEAC Testing for all Year 4 students will be held on Monday 19 August.

On Tuesday during recess, next week there will be a **Book Swap**. We now have quite a good selection of overflow books now so there should be something for everyone.

The children will be able to enjoy a book reading from various staff members on each morning before school in the Book Nook.

Final Fundraiser for the year

The Year Six Community and Technology and Environmental groups have done a wonderful job organising the schools fundraising efforts. Part of the ethos of fundraising is to promote understanding with the children about caring about others who may not be able to care for themselves and children understanding a global approach. We usually support a local and then international charity. In Term 4 we are going to do the Operation Christmas Child which we have supported at various times in the past. The program sends shoe boxes of gifts to children overseas who otherwise would not receive a Christmas gift.

In each box we will place, something to wear, something to love, something for personal hygiene, something to play with, something for school and something special. We would like collect a shoe box for a girl and boy in each classroom.

Historically families have been very generous giving to the appeal. There is something quite heart wrenching about a child not receiving a gift at Christmas. Unfortunately we have to also provide the postage for the boxes @ \$10:00 per box, so our fundraiser will take two parts. If you would like to sponsor a box for postage, that would be wonderful, but the year 6 children from Environment and Technology are also organising a talent show called Goollelal's Got the Grooves! Children can enter with their little dance moves at a cost of \$3:00 per head and on the 26 September we can all watch for a donation of \$2:00. All money will go towards the postage.

The shoe boxes will be in the class rooms soon.

From the Community

A reminder that, for duty of care reasons, the Department of Education requires us to differentiate between school organized, P&C organised and business/community activities. These are non-school activities.

Confident. Stronger. Better.
Empowering Children to thrive in today's world

Building Better Term Program

Program Overview:
Building Better Programs are designed to help primary school aged children to not only survive in the face of adversity but to thrive! The workshops build upon the existing strengths of individual children and equips them with a range of tools, skills and strategies to build the resilient attributes and confidence needed to cope with challenging circumstances. Building Better Programs are empowering, interactive and fun for children to live healthier and happier lives.

- Build better** communication skills
- Build a better** sense of purpose
- Build better** self-esteem and independence
- Build better** positive and growth mindset
- Build better** problem solving skills
- Build better** brain and body connections
