Good evening everyone

I trust that you have seen the latest news from the Premier regarding a confirmed COVID-19 case in the northern suburbs. If you haven't done so, please review the latest advice and list of exposure sites on www.healthywa.wa.gov.au.

The following arrangements will be in place for Goollelal Primary School from tomorrow:

- The school will be open.
- Please do **not** send your child to school if they are unwell or have attended any of the listed exposure sites.
- Masks will be mandatory for all adults. School staff may remove masks when teaching. Students are **not** required to wear masks.
- Parents are permitted on school site, but we request that you wear a mask at all times and maintain physical distancing.
- Please encourage your child to enter and leave their classroom independently. Capacity limits apply indoors so we request that parents do not enter classrooms unless absolutely necessary. School staff will be at the door of the classroom to assist students to enter and leave smoothly.
- At this stage, TA12's assembly on Friday will go ahead. However, parents may only attend if they have a child receiving a merit certificate or performing. Parents of award winners will be notified by close of business Tuesday.

While these steps are inconvenient, they are necessary to keep our students and community safe. Please do not hesitate to contact me on paul.fuller@education.wa.edu.au or 6207 2100 if you have any queries or wish to confidentially discuss your child's needs.

Yours sincerely

Paul Fuller
