Dear parents and carers

As you are aware, COVID-19 continues to impact our school community and has presented us with challenges in managing both student and staff attendance. I am pleased that, together, we have been able to make the best of this situation and ensure your child's continued learning.

As we navigate through these challenges, we will need to do some things differently to ensure our focus remains on your child's daily learning program. For this reason, Semester 1 student reports will look slightly different to previous years.

The report will continue to include A to E grades (or equivalent) for all learning areas. Information regarding your child's attitude, behaviour and effort will also be reported. While detailed comments about each learning area will not be included this semester, classroom teachers will write a general comment that reflects your child's overall effort, progress and achievement.

As always, you are welcome to schedule an appointment with your child's teacher if you require additional information about your child's learning.

Thank you for your continued support and encouragement as we work together to provide the best learning opportunities for our students. As we progress, I'll be sure to keep you updated with any new information.

Should you have any questions, please don't hesitate to contact me by email at goollelal.ps@education.wa.edu.au or by phone on 6207 2100.

Yours sincerely

Paul Fuller
