Workforce Development Plan

Outlines the plan for managing staff FTE, long service leave and future workforce requirements.

Strategic Plan

This three year document (also known as a 'Business Plan') gives a summary of the school's mission, vision and priorities.

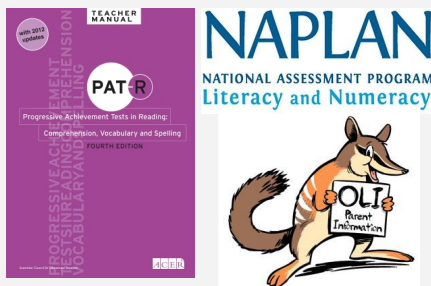

Statement of Expectations

This Statement makes clear the expectations and responsibilities of schools and the Department in student achievement and progress.

NAPLAN, ON ENTRY and PAT

This student data is used to track longitudinal progress in individual students and cohort. This data guides both the Business Plan and the Operational Plan priorities.

It describes and outlines the strategic approach for school improvement including key focus areas, student improvement targets and broad strategies.

School Operational Plan

The Operational Plan details how the School/Business Plans focus or priority areas will be implemented in that school year. It includes interim student achievement targets, specific strategies, resources and milestones to monitor progress.

Focus Documents

Released annually by the Director General, this outlines the strategic focus areas for the Western Australian public school system.

Annual Report

The Annual Report provides an insight into the school's operational and financial performance. It is intended to give parents and other members of the community a clear sense of how students in the school are progressing and what is being done to maximise student achievement.

Classroom Planning

Is aligned to the school Business Plan and the annual Operational Plan and is based on the SCSA K-10 Syllabus. The effectiveness of strategies being implemented is monitored through analysis of student data and performance management.
